Hi Cheryl,

I have 3 entries for this past month:

12/7 - Stray male komondor found on Craryville Rd. Orange collar, no tags. Picked up and brought to CGHS. Redeemed by the owners 3 days later.

12/13 - Report of the same dog from 12/7 seen running loose on County Rt. 11 near Craryville Rd.

1/2 - Another report of the same dog being loose on County Rt. 11. I spoke with the owners on 1/3 notifying them of the towns rules and regulations.
