

Taghkanic Broadband Committee

The Broadband Committee met on March 26, 2019. Present were Susan Raymond, Nancy Rutter and Arthur McGuire.

At that meeting we discussed the May 18th Broadband Open House. Revisions were made to the postcard which will be mailed to all Taghkanic residents. Susan was to send this to Tony Gravett.

The letter inviting Communications Companies and other presenters was also discussed and modified. Arthur was to send the letter to those Internet providers we were aware of.

Final revisions were also made on the Taghkanic Broadband Guide and Susan was to arrange to get it posted on the Town's website.

Since the meeting, the postcard has been revised by Tony Gravett, the invitation letters have been mailed and the Taghkanic Broadband Guide has been posted on the Town's website.

Arthur McGuire
Chairman
Taghkanic Broadband Committee
