Good Morning Cheryl:

We will not be meeting this coming Wednesday, if possible could you edit the calendar. We have scheduled a meeting for 1/19/2022 at 2 at the Town Hall, COVID permitting.

Several months ago we had inquired as how we could obtain a key for the Town Hall. As I recall the Town Board needed to select a Chair, Chris and Susan suggested that I ask to be the chair. Let me know what we should do?

Thank you so much for all you do!

Nancy
