(conducted 17 inspections – issued 2 (two) certificates of compliance

Received one (1) new request for verification of a certificate of occupancy for the month of August. The location verified and the notification was sent to the respective agency.

Attended a training held in Cairo, NY on 8/16/2018. The training was on wall bracing as it pertains to the NYS Building Codes. Three (3) more hours of training were received bringing this year's total to 38 hours.

An order to remedy a violation was sent to a property owner on Stone Jug Rd. The violation stated in the order was for building without a building permit. This office has been working closely with the Assessor's office to bring all of the town inventory up to date. More to follow.

Miles Traveled: 204

Hours: 51.5

Respectfully Submitted;

Dennis M. Callahan
Code Enforcement Officer/ZEO
