Larry Kadish

Thu, Sep 22, 8:08 PM (4 days ago)

to Larry, Joyce, Bob, Tony, Doug, Perry, Peter, Betsy, Kelsey, david, Scott, Timothy, me, Audrey

The meeting was called to order at 4 PM. Present were Larry Kadish Doug Craig, Betsy Albert, Tony LaSalvia, Peter Paden, Perry Ascher, Kelsey West, and Bob Brush (zoom).

1) The minutes of the August meeting were accepted

2) The Electronic Car Charger initiative will be centered by Doug Craig, with Bob Brush and Larry Kadish aiding. Discussion addressed the Wally Farm application to the Planning Board, the possible help from Zack and Chris Carmody re alternative grant sources. Also, the potential for additional auto and pedestrian traffic with the presence of charging stations on both sides of the street raised safety concerns.

3) Further info re Community Compost programs will be sought.

4) Bob Brush will attend the next EMC meeting.

5) Kelsey reviewed the new County Adaptation and Resiliency program. Larry Kadish volunteered to represent the Task Force, should the Town Board so desire.

6) Tim Kinnelty is giving a presentation, open to all, on native species Oct 22nd at the Taghkanic Fire House. This will be part of a series organized by This committee.

7) Peter Paden discussed a new concept from Professor Doug Tallamy entitled "homegrown National Parks. The basic idea is to convert parts of grass lawns into more productive environment friendly areas. There was considerable favorable comment of this topic, with follow up info to be provided.

8) The next meeting is Oct 27th.

Respectively submitted

Larry Kadish
