Hi Cheryl,

The CAC has not had a meeting this past month. We did attend a countywide CSC Task Force/CAC Roundtable at Basilica in Hudson on Oct 20.

Most of the discussion was about CSC Task Force issues and ideas from other towns. We are thinking of more native plantings near and around the town hall, that is to be discussed at a later date.

There was a good turnout to hear Tim Kennalty discuss Pollinators and Pollinator Plantings at the Firehouse on Oct 22. Future talks are being planned.
