

## Larry Kadish

**Subject:** Oct 27 Climate Task Force

Present were Larry Kadish, Bob Brush, David Koehler, Perry Ascher, Betsy Albert, Doug Craig, Tim Kennelty, Tony LaSalvia Peter Paden, Joyce Thompson and Evelyn Sause. The meeting was called to order at 4 PM

- 1) The minutes of the Sept meeting were accepted
- 2) The committee awaits a phone call with the West Taghkanic Dinner Management re their participation in the creation of an EV Charging station. A preliminary site visit occurred with Chris Carmody from Plug In On Line took place 2 weeks ago. It may be easier for the Town to not be directly involved, unless grant money becomes a factor. Several committee members hope to be involved in the call. Doug Craig is the principal committee lead on this project.
- 3) The County EMC met this month. Bob Brush the Taghkanic Member has not been officially confirmed by the County BOD yet. There was no quorum, therefore no official report.
- 4) The DEC Climate Change and Resiliency Committee now is being formed. Larry Kadish will represent Taghkanic.
- 5) There was much enthusiastic response to the lecture on pollination given by Tim Kennelty last week. A follow up lecture on personal national parks is planned.
- 6) The Town Highway Dept. vehicle report has been accepted by the CSC.
- 7) The Committee has concluded that our Town is too small in population to support a composting site.
- 8) We will look at the challenge of a Town Natural Resources Inventory.
- 9) Larry Kadish will confer with Audrey Kropp re the CSC point organization process
- 10) the next meeting will be Thursday Dec 1st.

The meeting was adjourned at 5:15

Respectfully submitted,  
Larry Kadish
