- Started mowing one pass
- Replace pipe on Pumpkin hollow, trim trees to get ready to patch
- Put down replaced 2' pipe, 3' foot pipe and 15" pipe on Koeppel road
- Gravel down and start building roads off county route ten and 27
- Open pipes and clean ditches across town
- Haul material to town hall for road repair on that side of town
- Prep Bloody hill road for paving
- Replaced pipes that failed on Bauhoff add a 2' pipe for over follow

REPAIRS / EQUIPMENT SERVICE

- Replaced high pressure steering pump on tractor , service
- tranny cooler, coolant lines, Tranny service on truck 4
- Work on bring fuel tanks up to code
- Prep for new well

EQUIPMENT REPLACEMENT NEEDS

- Sweeper parts are no longer available
- Continue to work on plan to replace and update equipment

PROGRAM ACTIVITIES AND PLANNING

- At this point I am still looking for a ten-wheeler dump truck to do our own hauling of material.

- 284 agreement for work is waiting on county sign off
Starting to work on five year road plan

NOTICES

This month's plan for road work is keep grading and building roads and replace pipes on some smaller roads. Prep bloody hill road remove old black top replace pipes add drainage. Move to Manor rock road for pipes and drainage project.

Respectfully submitted,
