ROAD WORK

- replaced pipe on new forge
- Haul material to shop for roads and shoulders
Grade roads for winter
- Built up forge the spur so not so steep
- Haul millings of state route 23 for road base on gravel roads

REPAIRS / EQUIPMENT SERVICE

- Service trucks/ Prep equipment for snow season
- upgrade truck 4 springs they are starting to stress crack
- sand and paint plows for winter
- service backhoe waiting for Milton cat to come down to read codes

EQUIPMENT REPLACEMENT NEEDS

- road sweeper

PROGRAM ACTIVITIES AND PLANNING

- Start setting roads for paving and building dirt roads up in spring
of material.
- Road/equipment plan

NOTICES

This month's plan for road work is keep adding gravel and grade for winter.
Bloody hill will not be done this year I told them no because they have pushed past my comfortable point of it setting up before we have to plow
Tree work will be starting back up soon

Chips paperwork has been sent in to the state *

Respectfully submitted,

Rob Burns
