Absent:	Erik Tyree	Supervisor
	Ryan Skoda	Board Member

Board Member Joyce Thompson asked Superintendent George Hotaling how the project was going. Superintendent Hotaling responded that everything is moving along well, the crew needed to dig out one corner of the footings as it was not dug back far enough. Gaylord did a nice job. The bill was a little more than his bid because he also delivered and installed the stone needed for the footings.

Board Member Joyce Thompson informed the board that she has been tracking the project costs. At this point of the tracking, the total remaining of the \$190,000 is around \$103,710. We also have added the grant money (\$7,400) that has helped with the cost of the project. The biggest bill left for the project is the concrete.

Board Member Linda Swartz: have we received a bill from J & B Paving yet. Answer: Not yet.

The bills were audited and approved for payment as follows:
