Reports from the Boards:

Animal Control: Kyle Miller, report submitted as follows

I have nothing new to report aside from the pending dangerous dog case. It was rescheduled for today in town court.

ZBA: James Romaine, Chair, no report.

Planning Board: Katherine Bainer, Chair report submitted.

Assessor: Craig Surprise report submitted.

ZEO/CEO/Building Inspector: Dennis Callahan report submitted.

Historian: Nancy Griffith, no report submitted.

Traffic Safety Board: Board Member Linda Swartz, report submitted as follows:

No Traffic Safety Board Meeting was held in October. Next meeting is scheduled for November 19; I will have a report for the December Town Board meeting.

Environmental Management Council: Larry Kadish reported the following:

EMC presentation of the Columbia County Climate Smart proposal to the County Government Committee, a group of EMC members met to discuss it with several supervisors. The name of the group is the Columbia County Climate Smart Work Group. Supervisor Ron Knott, Town of Stuyvesant, assisted in composing a draft resolution which was unanimously approved by the County Government Committee on October 22nd. The next step is to seek approval from the full Board of Supervisors on November 10th. The goal of the Work Group is to help develop a task force, implement the program, set up a timeline, register, and load collected information on the State Climate Smart website portal for review. Newman will send the draft of the resolution to all EMC members and

expressed his appreciation for their support.

Zoning Commission: Joyce Thompson, report submitted as follows.

The Zoning Commission met on 5 October and cancelled the 19 October 2020 meeting.

The Co-Chairs, Linda Swartz and Joyce Thompson, completed a review of the draft code, except for the Definitions section and the Appendix covering Conservation Subdivision Regulations, for changes adopted by the Commission, copy editing for spelling and grammar and standardization of format. The Consultant serving the Commission throughout the life of the Commission has completed his review through Section 60 and will have the remainder ready for full Commission review at the second November meeting.

The 2 November meeting was cancelled to give the Commission time to review the last draft of the code as reviewed by the Consultant, Ted Fink. This draft is the result of his review of the work done by Co-Chairs Swartz and Thompson and his own notes on changes adopted by the Commission. The next Zoning Commission meeting is on the 16 November.

In October the Commission reviewed the first draft of recommendations from the Short-Term Rental Sub-Committee. Sub-Committee members attended in person and via Zoom. Discussion on each section raised good questions and suggestions for the Sub-Committee to consider for the next draft. Overall, the STR Sub-Committee is making excellent progress and their work is very much appreciated.

All meetings are being held in-person at the Taghkanic Fire House from 4:00 to 6:00 P.M. and the public is welcome to attend in person or request a zoom link by emailing joyce.thompson721@gmail.com before noon on the day of the meeting. Masks and social distancing practices are required for in-person attendance..

STR Sub-Committee: Board Member Elizabeth Craig, Chair, report submitted as follows:

Report on STR Subcommittee meetings October 2020; submitted 11.09.2020

- The STR Subcommittee met three times in October, counting our joint meeting with the Zoning Commission on October 5th.
- We continue to work on refining our drafts for proposed legislation, and are now also reviewing legislation or proposed legislation in neighboring towns, as well as in the City of Hudson, to compare with our own proposals, and discussing various similar or different scenarios with residents and officials in neighboring towns and Hudson.
- Our goal has been to get a final draft to the Zoning Commission for their final review and edit, for inclusion in the new Zoning Code.
- After getting a positive response from the Town Board at the September Board meeting to the idea of a public hearing by the STR subcommittee on the subject of STRs in Taghkanic, we're working on an outline for how to effectively present this information, including a presentation on the matter of regulating these businesses by the Town of Taghkanic.
- We had a work session at the Firehouse last week which was attended by Dennis Callahan, and while he was in some agreement with the Subcommittee about registration and inspection fees and so forth, after some additional input from him about what we have been intending to propose as permissible STRs, we are at a point of needing some advice and guidance from the Town Attorney and the Zoning Consultant, as Dennis seems to interpret some NYS laws differently from how we understand them, and also differently from the direction we have been going.
 - The questions are as follows:

- Are any STRs of a room or rooms in a private dwelling permissible when the owner is present in the residence?
- Can we legally limit what kind of rental is permissible by the owner of a property regardless of whether that owner(s) is (are) a resident of the Town?
 - If we can indeed legally set limits, can they be challenged in court?
- Until we have some clear guidance and resolution as to the legal issues that pertain to these questions, I think we can make no further progress.

✚ Supervisor Ryan Skoda granted permission for Board Member Elizabeth Craig STR Chair to contact town Attorney Andrew Howard and Consult Ted Fink for legal advice.

✚ Board Member Elizabeth Craig: I will also send the draft out to all the Town Board Members for their review and discuss at the next meeting.

Office for the Aging: Joyce Thompson, report submitted as follows.

After holding no meetings in the Spring of 2020 because of COVID-19 issues, the Advisory Council to the Columbia County Office for the Aging met via Zoom with county agency representatives attending by telephone because they are not authorized to participate in Zoom meetings.

Attendance was almost one hundred percent! It was really good to see so many colleagues after such a long time with no meetings.

The Annual Review plan for the OFA was reviewed and approved. Agency and town updates were shared.

The latest Elder Express contains a great deal of good information and residents are urged to request a copy by calling 518.828.4258 or click on the link below to get it on line.

The group felt the experience was positive and voted to meet again using zoom and audio connections for the November meeting scheduled for 20 November at 1:00P.M.

Clerk/Collector: Cheryl Rogers, reports were submitted to the Board.

Supervisor: Ryan Skoda, report submitted as attached.

Highway: George Hotaling, report submitted as attached.

✚ Request for plow replacement bids as follows:

Board Member Joyce Thompson motioned to authorize the purchase of the proposal from Trius Inc. for one (1) Hinke Mfg. Model 30-60-141, ECT 11' one-way fixed angle Snowplow in the amount of \$9,138.00, seconded by Board Member Kara Gilmore.

Supervisor Ryan Skoda: Superintendent Hotaling is out on medical leave as he has had a minor stroke and may not be back until January; Mike Conn is filling in as Working Foreperson.

Board Member Joyce Thompson: Working Foreperson Mike Conn informed me today he contacted the CHIP's office; they are in receipt of our CHIPs paper work and it all looks good; we should expect our CHIP's money in December.

Supervisor Ryan Skoda: mandatory referendum for the proposition that was supposed to be on this year's election ballot for Abolishing the Elective Office of Town Highway Superintendent and creating the Appointive Office of Town Highway Superintendent was not there. The State changed the Home Rule Law for filing a proposition from 45 to 90 days. Ken Dow said we followed all the Home Rule Laws but the change was done too late for all Municipalities to be able to comply. Ken Dow and Attorney Andrew Howard suggested we process the LL again with a Public Hearing in January 2021 so that we can have a special election in June.

- + Board Member Kara Gilmore: do we need a certain percentage of total residents to pass the law? Also, how much will a special election cost the town?
- + Supervisor Ryan Skoda: I have asked both of your questions and am waiting for an answer. I am letting the election board be for now because of the on-going election work.

Advisory Board reports:

Financial Advisory Committee Report: Board Member Joyce Thompson report submitted as follows:

The Financial Advisory Committee will meet next Thursday, 12 November. At the previous meeting, no discrepancies were found. An informal review of the October Supervisor's Report shows no significant issues in either the General Fund or Highway Fund Accounts.

An early snow plowing session that was required in October resulted in a shortage in the payroll line for the Highway Fund. The Personnel line in the Highway Fund is split between Road Repair (March - October) and Snow Removal (November - February). The early snow put the Road Repair line over budget. A Budget Amendment is proposed to transfer funds from the Road Repair Contractual line to the Road Repair Personnel line to cover those costs.

There is very good revenue news. The Town is in receipt of \$82,115.15 for third-quarter Sales Tax! As a result, our revenue stands at 85% of budget with the fourth and final payment still to come. It is now much less likely that the anticipated shortfall from COVID-19 restrictions will be realized.

Budget Amendment #4: Board Member Elizabeth Craig motioned to approve Budget Amendment #4, seconded by Board Member Linda Swartz as follows:

2020 Budget Amendment #4		
9-Nov-2020		
HIGHWAY FUND	Increase	Decrease
DA 5110.1	\$1,802.91	
DA 5110.4		\$1,802.91
	\$1,802.91	\$1,802.91

Conservation Advisory Committee: Tony LaSalvia no meeting to report:

The CAC did not have a meeting. We (Larry Kadish and I) are to have a joint meeting with the Taghkanic Creek Headwater Committee on Nov 17.

Broadband Advisory Committee: Arthur McGuire, report submitted as follows:

The Taghkanic Broadband Committee met on October 21, 2020. We discussed progress with the guide for financial help with internet access costs, begun by Nancy Rutter that we have been working on. Changes to the working draft were made at the meeting. We determined to make further changes online and complete the guide by Election Day so that copies could be available at Town Hall when voters came in.

With the help of all the committee members, the draft was finalized over the next ten days and Joyce Thompson delivered the printed version to Town Hall on Election Day, November 3rd. We placed a notice on the Fire Company's sign to let people know it was available. The Guide will also be published in the Taghkanic Gazette. In the meantime, Gallatin has reached out to Joyce asking if they

could publish the Guide in the Gallatin online newsletter. Permission was granted. (copy of Guide attached)

With regards to Internet availability, we believe that high-speed service is available to every address in Taghkanic. Gtel has connected about 300 residents — every resident who requested service. As part of its ongoing marketing effort, they are reaching out to residents who had expressed interest but did not sign up. The company is also expanding into nearby parts of Claverack and Hillsdale. Anyone in a Gtel area need only contact the company to order service. Similarly, those in Mid-Hudson and Consolidated areas can contact these carriers.

Now that Taghkanic does have high-speed internet access throughout, the question arises as to whether our work is finished and how long the Broadband Committee should continue to operate. We will discuss this at our next meeting and report back to the Town Board.

Old Business:

- 1. County Route 15 Complaint:** *Supervisor Ryan Skoda:* Attorney Howard informed me we are on hold until January 1, 2020 because of the Governor's Executive Order extending the ban on evictions. I have contacted Attorney Howard and the Sheriff's Department to look into it further as the Town has a judgement in place already. The Sheriff's Department is not able to proceed with the sale as they will not be able to follow through with the eviction process after the sale because of the Governors Executive Order extending the ban on evictions.
✚ John Thompson: 4 years come February
- 2. Highway Facility:** *Supervisor Ryan Skoda:* Everything is still on hold waiting for DEC's decision on the proposed Soil Management Plan submitted months ago.
- 3. Culvert Inventory:** *Board Member Joyce Thompson:* Designs are in progress.

Supervisor Ryan Skoda: I had a conversation with Dean Knox, we discussed the box culvert on Taghkanic Churchtown Road, he feels the County can help us with the replacement project, he feels DEC will approve two (2) 60-inch pipes. I will update everyone with any further information.

- 4. Census 2020: Reminder to everyone to fill out the 2020 Census!**
✚ *Supervisor Ryan Skoda:* nothing new to report
- 5. LOSAP Audit RFP:** Clerk Rogers informed Board that she will contact Zoriana and Giuseppe from Stawnychy Financial Services to see if they have any recommendations.

6. **Police Reinvention Program - Progress Report:** *Board Member Joyce Thompson:* you can follow the progress by going to the Columbia County Website <https://www.columbiacountyny.com/> . Go to the green banner at the top of the page, “Chairman launches new Columbia County Police Reform Panel Website” and click the link sites.google.com/columbiacountyny.com/police-reform-panel
7. **NYS Public Employer Mandatory Health Emergency Plan:** Board Member Elizabeth Craig: I am working on a draft and will send it out to everyone; the template is great but I will need help as I’m unsure of some of the information needed.

New Business:

1. January 2021 Calendar:

+ Addition to January 2021 Calendar:

Board Member Joyce Thompson motioned to set a Public Hearing for Local Law 1-2021 Abolishing the Elective Office of Town Highway Superintendent and creating the Appointive Office of Town Highway Superintendent for January 11, 2021 at 7 PM which needs to be added to the January 2021 calendar, seconded Board Member Elizabeth Craig.

Board Member Kara Gilmore when I was at the West Taghkanic Diner recently, the owner Kris Schram, indicated some worry that he might be forced to shut down outdoor dining based on a conversation he had with Dennis. My understanding is that Kris has since filed an application to get permission for outdoor seating. He didn't have permission (or need it) before the pandemic hit.

- + Board Member Linda Swartz: I think that the existing zoning did not allow for outdoor dining, and I seem to recall that the Governor asked that towns relax their restrictions in regard to outdoor dining during the pandemic. That said, I thought that Kris had an upcoming ZBA hearing. He's been doing it all summer without any negative impact that I've noticed, and I don't see any reason to deny such a request, especially since it could be the difference between this business remaining open and bringing revenue to our town or closing down and being just another empty business.
- + Clerk Rogers: Kris Schram has submitted an application to the ZBA for a variance, the meeting for October was canceled because of no quorum.
- + Supervisor Ryan Skoda: I will talk with Dennis.

Board Member Linda Swartz: A separate issue: The Citgo station installed a port-a-potty in their parking lot, which, although a little unsightly, I feel is absolutely necessary and I have no problem with that. What I do have a problem with is the amount of litter that appears around the port-a-potty, especially on weekends, which the gas station operators have to clean up all the time. It's disgraceful how transients feel they can just toss their garbage all over the place. I was wondering if the town could install signs that say "Fines for Littering" or if it would be responsibility of the gas station owner (who I think may be a corporation and not Darshan and Paul and may therefore not care one bit about the litter problem). Do we even have a littering fine on the books?

✚ Supervisor Ryan Skoda: do not think so. How would the town fine anyone on private property?

The bills were audited and approved for payment as follows:

✚ **October 25, 2020 Abstract:** on a motion by Board Member Joyce Thompson, was approved for payment including voucher #211, seconded by Board Member Kara Gilmore.

The following people commented during the fifteen minute public comment:

- ✚ Board Member Linda Swartz: did anyone let Claverack know we were asking for a speed limit review on Taghkanic Churchtown Road?
- ✚ Supervisor Ryan Skoda: yes
- ✚ Clerk Rogers: I sent the Claverack Clerk a copy of our Resolution.
- ✚ Arthur Griffith: what are other towns doing to control short term rentals? Has Dennis volunteered to police?
- ✚ Board Member Elizabeth Craig: some are being very restrictive and some not so much. Dennis will work with written complaints.
- ✚ John Thompson: is it safe to assume nothing will be happening with the Heesch property till January?
- ✚ Supervisor Ryan Skoda: I guess so. I am very sorry.

Executive Session: none
