

Columbia County Traffic Safety Board Report

The Columbia County Traffic Safety Board met at the Public Safety Building in Hudson on Thursday, September 28, 2023.

Columbia County Highway Department Highway Work Updates:

- Fish & Game Road is on schedule for completion by the end of October.
- Culvert replacements on County Route 7 in Gallatin and in Austerlitz will require road closure and detour.
- Stall Bridge on Pleasantvale Road in Clermont is on track for the 2024 construction season, but Mill Bill Bridge over the RoeJan in Gallatin has been pushed off until 2025.

New York State DOT:

- Slow-downs and long back-ups have been reported at the Bells Pond intersection since the new traffic signal sequence went operational. DOT will meet with Livingston representatives and members of the CCTSB on October 3rd.
- Members of the CCTSB brought to the attention of DOT several areas where roadside vegetation needs to be cut back to improve sight distance at intersecting roads.

The next meeting of the Columbia County Traffic Safety Board is scheduled for November 16, 2023.

Respectfully submitted,

Linda Mirabelli, Town of Taghkanic CCTSB Representative
and CCTSB Recording Secretary
