

Traffic Safety Board Report

The Columbia County Traffic Safety Board met on September 24th.

Issues before the Board included speed limit requests in Chatham, Copake and Clermont; as well as needed guiderail repairs at various locations in the county. I informed the Board of the need to replace or repair the guiderail on Beauty Highway in front of Meredith Glabman's house which was damaged in a recent automobile accident.

A request was made by Henry Swartz of Chatham that the Board look into ways to provide education to the public on navigating traffic circles. The State Police provided an information sheet which was distributed to the Board members via e-mail following the meeting. I have made copies and placed them on the table at the back of the room in Town Hall. I have also provided the document to Cheryl for posting to the town's website.

The next meeting of the Columbia County Traffic Safety Board will be on November 19, 2015 at the Public Safety Building in Hudson.

Respectfully submitted,

Linda Swartz
CCTSB Representative for the Town of Taghkanic
CCTSB Recording Secretary
