

## Traffic Safety Board Report

The Columbia County Traffic Safety Board met on September 22, 2016.

The Town of Taghkanic had no matters before the Board.

A request to lower the speed limit for a 5.3-mile stretch on Route 203 from Kinderhook/Valatie to Chatham/Ghent has been denied by DOT, citing the appropriateness of existing signage and markings, road conditions and geometrics, and current driver speeds averaging 52 mph.

The Columbia County Traffic Safety Board will hold their final meeting of 2016 on November 17 beginning at 7 p.m. the Public Safety Building in Hudson. Meeting schedule for 2017 will be set at that time.

Respectfully submitted,

*Linda Swartz*

CCTSB Representative for the Town of Taghkanic  
CCTSB Recording Secretary
