

Traffic Safety Board Report

The Columbia County Traffic Safety Board held its regular meeting at the Public Safety Building in Hudson on September 26, 2019.

NYS DOT reports that milling and paving on Route 9G from Olana to Germantown will begin in the first week of October this year. I have sent an email to the Highway Superintendent George Hotaling reminding him that the millings are offered free to municipalities.

The TSB has received no correspondence from the public and there are no pending issues. The Town of Taghkanic had no matters before the Board.

The next meeting of the CCTSB is scheduled for November 21, 2019, at the Public Safety Building in Hudson.

Respectfully submitted,

Linda Swartz
Town of Taghkanic CCTSB Representative
and CCTSB Recording Secretary
