to me

No Traffic Safety Meeting in August. Next meeting will be September 24.

By the way: I just had a request from Bonnie Long for a reduced speed limit on Taghkanic-Churchtown Road. I suggested she send it to you to be distributed to the Board as correspondence for our next meeting.

If the Town supports the request and you do a Resolution and TE9-a, send the original to Dean Knox as usual, and please just give me the copy for the Traffic Safety Board. Since the retirement of Dave Chapman, we have been without a rudder and we have no clear leadership. I am taking on more and more responsibility as the Secretary and handling much of the paperwork.

I will take the submission to the Board and present the Town's findings and position.

Thanks.

Linda.
