

**ZONING COMMISSION - JULY 2015 MEETINGS REPORT  
TO AUGUST 2015 TAGHKANIC TOWN BOARD**

The commission met on the two scheduled meetings of 6 and 20 July.

The commission continued its focus on the tenth revision of a core section of the new zoning code entitled "Supplementary Regulations". Lively discussion resulted in changes and modifications. The plan continues to be the presentation of a draft for public review by early September and public discussion at an information meeting on Saturday, 19 September.

The purpose of this information meeting is to present the draft document and ask residents to read it and develop questions, make suggestions and identify areas of concern.

As was said last month, it is important that the commission members hear and understand the concerns of Taghkanic residents who will be governed by this code once it is passed. The commission's goal is to recommend to the town board a new set of regulations that represent the majority of public concerns and will be broadly equitable, fair and enforceable.

Planning Consultant, Ted Fink, delivered first drafts of five more articles on 3 August. The focus in August is to complete the review of Supplementary Regulations and move on to review these five articles.

The next meetings are scheduled for 3, 17 and 31 August. All meetings run from 6:30PM to 8:30PM at Town Hall.

Respectfully submitted,

Joyce Thompson, Co-Chair  
Town of Taghkanic Zoning Commission
