

**ZONING COMMISSION - FEBRUARY 2016 MEETINGS REPORT
TO MARCH 2016 TAGHKANIC TOWN BOARD**

The commission met on the two scheduled meetings of 1 and 15 February.

A final check on a detailed second review of the Use Table was completed. Attention then turned to a review of three elements to check for consistency: the Comprehensive Plan, the Existing Zoning Code and the developing Draft Zoning Code. The Commission decided to take this step as a check to be sure we are not leaving anything out and that we are addressing any known issues with the existing code. Again, it is part of an iterative process that has proven to be very important. The goals are clarity, consistency and fairness.

As reported previously, this information will inform the next step that is another review of Article 60 – Supplementary Regulations.

Meetings are scheduled for 7 and 21 March and 4 and 18 April 2016. Throughout the year, the commission meets on the first and third Monday of the month at Town Hall.

NOTICE: The time for all meetings was changed to 5:30 – 7:30PM. The public is welcome to attend and comment as the commission deliberates.

Respectfully submitted,

Joyce Thompson, Chair
Town of Taghkanic Zoning Commission
