

**ZONING COMMISSION - JULY 2016 MEETINGS REPORT
TO AUGUST 2016 TAGHKANIC TOWN BOARD**

The Zoning Commission met on 11 and 18 July. Because the regular scheduled meeting fell on 4 July, the commission members agreed to meet prior to the town board meeting in order to maintain two meetings in July.

The work in July focused on editing Section 60: Supplementary Regulations for clarity, consistency and readability. Each member is assigned ten pages to consider and present suggestions to the commission. It continues to be slow work but significant changes have been made to meet these goals of simplification and clarity. Residents are urged to read the minutes to get a taste of the work. July minutes are available on the back table.

Next meetings: 1 and 15 August. Regular hours of 5:30 – 7:30 PM at Town Hall

Respectfully submitted,

Joyce Thompson, Chair
Town of Taghkanic Zoning Commission
1 August 2016
