

**ZONING COMMISSION - MAY 2017 MEETINGS REPORT
TO JUNE 2017 TAGHKANIC TOWN BOARD**

The Zoning Commission met on 1, 15 and 29 May 2017.

As reported last month, the Commission continues to work on Articles 30, 40, 50, 60, 70 and 80 in preparation of public information presentation of these key articles. Each article is considered for consistency, clarity and concepts. Members are also identifying items that would be helped by a drawing.

Residents are urged to read the minutes to get a sense of the detail and scope of the work. All minutes are posted on the website and provide detailed coverage of the discussions.

Next meetings: 5 and 19 June. Meeting time continues to be 5:00 PM – 7:00 PM and all meetings are held at Town Hall.

Respectfully submitted,

Joyce Thompson, Chair
Town of Taghkanic Zoning Commission
